**AN IMPORTANT NOTICE REGARDING PRIVATE LINE SERVICES PROVIDED TO
YOU BY EUREKA NETWORKS**

September 27, 2004

Dear Valued Customer:

Eureka Broadband Corporation d/b/a Eureka Networks ("Eureka") recently entered into an agreement with S-One Communications, Inc. ("S-One") whereby the private line services you currently receive from Eureka ("Services") will be transferred to S-One. S-One is uniquely positioned to address the full range of telecom needs for the financial services industry through its strategic partnership with Syntegra (USA) Inc., the preeminent provider of customer premise voice equipment for the financial services industry. S-One will automatically begin providing the Services to you on or about November 15, 2004. The actual transfer date will depend on when we receive all necessary federal and state regulatory approvals. Upon completion of the transfer, Eureka will cease to be your service provider.

Eureka and S-One are working closely together to ensure that the transfer of your account to S-One will be seamless. Eureka and S-One assure you that there will be no interruption of service or change in the level of support you receive as a result of the transfer. Following the transfer, your Services will continue to be provided under the same rates, terms and conditions of service that you currently enjoy. Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law; however, no changes are anticipated. S-One will be responsible for any carrier change charge associated with the transfer. In addition, S-One will work to resolve any complaints you may have filed or raised prior to or during the transfer against Eureka that have not been resolved by the time your account is transferred.

Subject to the terms and conditions of your existing agreement with Eureka, including applicable termination penalties, you have the right to choose a different carrier for your Services. If you wish to choose a different carrier, you will need to contact that carrier prior to November 15, 2004. Please note that if you are a customer of Eureka on the date of the transfer and you have not informed Eureka that you have made arrangements to switch to a carrier other than S-One, your Services will automatically be transferred and your account assigned to S-One. Please note that if you have placed a "freeze" on the Services to prevent the unauthorized transfer of your Services to another carrier, the freeze will be lifted and your Services will be transferred to S-One. You must contact your local exchange carrier to re-establish freeze protection for your Services after the transfer.

If you have any questions regarding this notice, please call Eureka's toll-free customer service number at **1-800-562-4206**. You are also welcome to contact S-One to learn more about S-One by calling its toll-free customer service number at **1-800-533-9777**. S-One looks forward to continuing to provide you with quality services, enhanced support and expanded network capabilities for many years to come.

Cordially,

Richard A. Simeone, President
